Notes for Sponsors	Notes for Walkers
<p>The aims of the walk are (1) to experience at first hand the impact of HS2 on the Misbourne valley. Cuttings 100m wide = length of football pitch and sound at 100db from the energy pick up above the train = jet at 250 m. And (2) to raise funds for the Chiltern Society to make a sound evidence based case to persuade government that HS2 should not cross the Chilterns</p>	<p>The walk keeps close to the proposed HS2 route, mainly on rights of way and roads, and sometimes, by prior agreement, on private land. Hence no dogs or unaccompanied children. Single file across arable land. We cross 3 main roads, the A355 , A413 and B485. There are stiles and hills. Please wear suitable footwear, bring adequate drink and food, and rain & sun protection etc.</p>
<p>Please send cheques (made payable to 'The Chiltern Society HS2') to Trish Lennie, The Chiltern Society, White Hill Centre, White Hill, Chesham, Bucks, HP5 1AG.</p>	<p>We hope that you will enjoy taking part in this Chiltern Society HS2 walk, but please remember that everyone takes part at their own risk and that the Society is not responsible for any injuries, loss or damage that may occur during the event.</p>
